

Cock in My Pocket

The Stooges

I got my cock in my pocket
And I'm reelin'
Down the old highway
I got my cock in my pocket
And I'm reelin'
Down the old highway
I'm gonna whip it on you honey
Taste your blood today

I got my cock in my pocket
And it's shovin up
Through my pants
I got my cock in my pocket
And it's shovin up
Through my pants
I just wanna fuck
This ain't no romance

A man's gotta move...

I got my cock in my pocket
And I'm reelin'
Down the old highway
I got my cock in my pocket
And I'm reelin'
Down the old highway
I'm gonna whip it on you honey
Taste your blood today
