

I Wanna Be Your Dog

The Stooges

So messed up I want you here
In my room I want you here
Now we're gonna be face to face
And I'll lay right down in my favorite place

And now I wanna be your dog
And now I wanna be your dog
And now I wanna be your dog
Well, come on

And now I'm ready to close my eyes
And now I'm ready to close my mind
And now I'm ready to feel your hand
And lose my heart on the burning sands

And now I wanna be your dog
And now I wanna be your dog
And now I wanna be your dog
Well come on
