

Job

The Stooges

I'm just a guy with a rock-star attitude,
I've got no belief and I got no gratitude.
Don't wanna talk to my co-workers
I think they're a bunch of dumb pot junkers.

(If I was) loaded, would she love me?
If I was joking will it be funny?
If I've been locked down will they feed me?
If I'm on TV will you see me?

I got a job, I got a job,
I got a job but it don't pay shit.
I got a job, I got a job,
I got a job and I'm sick of it.

The Arctic crowd has got no balls,
The Monday crowd stood at the walls,
The Fashion crowd stares back at them
I only care about who I am.

(If I was) loaded, would she love me?
If I was joking will it be funny?
If I've been locked down will they feed me?
If I'm on TV will you see me?

I got a job, I got a job,
I got a job but it don't pay shit.
I got a job, I got a job,
I got a job and I'm sick of it.

I'm just a guy with a rock-star attitude,
I've got no belief and I got no gratitude.
I see a while I don't want to steal it
I see a chick I don't wanna feel alone

(If I was) loaded, would she love me?
If I was joking will it be funny?
If I've been locked down will they feed me?
If I'm on TV will you see me?

I got a job, I got a job,
I got a job but it don't pay shit.
I got a job, I got a job,
I got a job and I'm sick of it.

I got a job, I got a job,
I got a job but it don't pay shit.
I got a job, I got a job,
I got a job and I'm sick of it.

I got a job, I got a job,
I got a job.
I got a job, I got a job,
I got a job.
I got a job, I got a job,
I got a job.
I got a job, I got a job,

I got a job.
