Little Doll

The Stooges

The little doll I can't forget Smoking on a cigarette In my life a real queen Prettiest thing I ever seen, uh huh

You're the one who makes me sing
Bring happiness in everything
You're the only real one
A real way to have some fun, uh huh

But I don't know you little doll But I don't know you little doll Come on shake, come on shake Come on shake you little doll

Shake you little doll Come on shake, come on shake Come on shake you little doll
