### The Story So Far

These chains are heavy, but these hand stay steady  
Grasping the anxiety of decision  
But these walls are breaking, times up we're putting  
Our thoughts into actions so let's take  
What WHAT we WE

Want and apply it to what we have  
To figure out what we need  
Cause through the pain  
WE'RE AS STRONG AS EVER  
It's in your hands  
IT'S NOW OR NEVER  
I'm not just yelling words

I'm not just preaching  
It's more like teaching

So I'll tell you what we will do  
We'll fly real hi like doves do  
And we won't ever come back down  
Give this your all and push through  
Prove to yourself you can do anything you want to

It's such a cold day, but our hearts stay steady  
Hoping but knowing that we're ready (for anything)  
Cause you can bet me that we'll win it all  
Our progress will not falter lets give them something  
They THEY will WILL

Talk about, our strength unbound  
Turn the wheels with no regrets  
NO REGRETS NO REGRETS  
Listen closely follow along I tried my hardest  
To write this song to be a message for all of you

I'm not just preaching  
It's more like teaching

Hold us back we'll run right through you  
The gratitudes worth what we go through  
You can yell till your face turns blue  
The good thing is you know I hate you

I remember those days  
When my friends and I had simple ways
