Dry Your Eyes

The Streets

In one single moment your whole life can turn 'round I stand there for a minute starin' straight into the ground Lookin' to the left slightly, then lookin' back down World feels like it's caved in - proper sorry frown Please let me show you where we could only just be, for us I can change and I can grow or we could adjust The wicked thing about us is we always have trust We can even have an open relationship, if you must I look at her she stares almost straight back at me But her eyes glaze over like she's lookin' straight through me Then her eyes must have closed for what seems an eternity When they open up she's lookin' down at her feet

Dry your eyes mate I know it's hard to take but her mind has been made up There's plenty more fish in the sea Dry your eyes mate I know you want to make her see how much this pain hurts But you've got to walk away now It's over

So then I move my hand up from down by my side It's shakin', my life is crashin' before my eyes Turn the palm of my hand up to face the skies Touch the bottom of her chin and let out a sigh 'Cause I can't imagine my life without you and me There's things I can't imagine doin', things I can't imagine seein' It weren't supposed to be easy, surely Please, please, I beg you please She brings her hands up towards where my hands rested She wraps her fingers round mine with the softness she's blessed with She peels away my fingers, looks at me and then gestures By pushin' my hand away to my chest, from hers

Dry your eyes mate I know it's hard to take but her mind has been made up There's plenty more fish in the sea Dry your eyes mate I know you want to make her see how much this pain hurts But you've got to walk away now It's over

And I'm just standin' there, I can't say a word 'Cause everythin's just gone I've got nothin' Absolutely nothin'

Tryin' to pull her close out of bare desperation Put my arms around her tryin' to change what she's sayin' Pull my head level with hers so she might engage in Look into her eyes to make her listen again I'm not gonna fuckin', just fuckin' leave it all now 'Cause you said it'd be forever and that was your vow And you're gonna let our things simply crash and fall down You're well out of order now, this is well out of town She pulls away, my arms are tightly clamped round her waist Gently pushes me back and she looks at me straight Turns around so she's now got her back to my face Takes one step forward, looks back, and then walks away

Dry your eyes mate I know it's hard to take but her mind has been made up There's plenty more fish in the sea Dry your eyes mate I know you want to make her see how much this pain hurts But you've got to walk away now It's over

I know in the past I've found it hard to say Tellin' you things, but not tellin' straight But the more I pull on your hand and say The more you pull away

Dry your eyes mate I know it's hard to take but her mind has been made up There's plenty more fish in the sea Dry your eyes mate I know you want to make her see how much this pain hurts But you've got to walk away now.
