

I Don't Want To Know

The Strypes

Backseat lust you can't deny
Loose excuses don't satisfy
Two for one you shouldn't have tried
Just 'cos he don't want you
Don't mean that I

Don't wanna know (oh woh oh)
'Cos I don't wanna know
Don't wanna know (oh woh oh)
'Cos I don't want to

Finders keepers don't seem to apply
See no future beyond your lies
Leave you soakin' or leave you dry
I'm leaving baby
Don't you know that I

Don't wanna know (oh woh oh)
'Cos I don't wanna know
Don't wanna know (oh woh oh)
'Cos I don't want to

Don't wanna know (oh woh oh)
'Cos I don't wanna know
Don't wanna know (oh woh oh)
'Cos I don't want to
