The Whole Point Of No Return

The Style Council

The Lords and ladies pass a ruling
The sons and girls go hand in hand
From good stock and the best breeding

Paid for by the servile class Who have been told or lie in state To bow down forth and face their fate Oh, it's easy, so, so easy

All righteousness they build thy arrow To shoot it straight into their lies Who would expect the might sparrow Could rid the world of all their kind?

Rising up and taking back The property of every man It's so easy, so, so easy

Rising up to break this thing From family trees the dukes do swing Just one blow to scratch the itch The law's made for 'em by the rich It would be easy, so, so easy
