

# You Are Everything

The Stylistics

Today I saw somebody  
Who looked just like you  
She walked like you do  
I thought it was you

As she turned the corner  
I called out your name  
I felt so ashamed  
When it wasn't you, wasn't you

You are everything and everything is you  
You are everything and everything is you  
You are everything and everything is you

How can I forget  
When each face that I see  
Brings back memories  
Of being with you

I just can't go on living life as I do  
Comparing each girl to you  
Knowing they just won't do  
They're not you

You are everything and everything is you  
You are everything and everything is you  
You are everything and everything is you

You are everything and everything is you  
You are everything and everything is you  
You are everything and everything is you
