

## Brightest Hour

## The Submarines

Wandering through starry skies  
And when tomorrow's day arrives  
Wandering through starry skies  
And when tomorrow's day arrives  
I'll be a moment closer to the  
Brightest Hour here with you

One step closer, getting brighter  
One step closer, getting brighter

Wandering through starry skies  
And when tomorrow's day arrives  
I'll be a moment closer to the  
Brightest Hour here with you
