## The Subways

Make the great escape (Ahhhhhh ahhhh)  
And find a way to make ends meet  
Enemies (Ahhhhhh ahhhh)  
Well I don't think they ever sleep

Make our way until we see the light  
Another day, another chance and it will be

Allll...riiiiiiiiiiiiiiiight  
Allll...riiiiiiiiiiiiiiiight  
Allll...riiiiiiiiiiiiiiiight  
Allll...riiiiiiiiiiiiiiiight

So what you say (Ahhhhhh ahhhh)  
And what you do is who you are  
You say its truth (Ahhhhhh ahhhh)  
But still you lied right from the start

Make a change and find the reasons why  
Another day, another chance and it will be

Allll...riiiiiiiiiiiiiiiight  
Allll...riiiiiiiiiiiiiiiight  
Allll...riiiiiiiiiiiiiiiight  
Allll...riiiiiiiiiiiiiiiight

And I wonder  
When we fall  
Who do we need?  
Who do we call?

Allll...riiiiiiiiiiiiiiiight  
Allll...riiiiiiiiiiiiiiiight  
Allll...riiiiiiiiiiiiiiiight  
Allll...riiiiiiiiiiiiiiiight  
Allll...riiiiiiiiiiiiiiiight  
Allll...riiiiiiiiiiiiiiiight  
Allll...riiiiiiiiiiiiiiiight  
Allll...riiiiiiiiiiiiiiiight  
Allll...riiiiiiiiiiiiiiiight
