

Friday

The Subways

I've been working till the middle of the night
I've been working like I haven't got a life
But tonight I'm gonna take it back
But tonight I'm gonna have a laugh

You've been thinking that you gonna hold me down
You've been thinking you're the only one around
Who really knows how to have a good time
But tonight I'm gonna show you right

This is Friday, this is my day
You can't take that from me
No frustration, just elation, the way it's meant to be

I got a reason and yeah I got a right
I got a reason and I'm gonna make it my night
Ain't gonna be a nothing anymore
Ain't gonna be a nothing anymore

This is Friday, this is my day
You can't take that from me
No frustration, just elation, the way it's meant to be
Now that it's Friday, it's my day, my day
Now that it's Friday, it's my day, my day

This week ends here
And diss me pleasing
I've been wishing for some freedom

I've been working till the middle of the night
I've been working like I haven't got a life
But tonight I'm gonna take it back
But tonight I'm gonna have a laugh

This is Friday, this is my day
You can't take that from me
No frustration, just elation, the way it's meant to be

Now that it's Friday, it's my day, my day
Now that it's Friday, it's my day, my day

I got a reason and yeah I got a right
I got a reason and I'm gonna make it my night
Ain't gonna be a nothing anymore
Ain't gonna be a nothing anymore
