

Is That Enough

The Subways

Sweetest something
I can't tell
Divinations
Break the spell
Holy hopeless
Tell me twice
Shown me nothing
To entice

You beat my brains in
It's all I need
We broke the borders
And watched the whole world bleed
Is that enough?
Is that enough?

Sweetest something
I can't tell
Divinations
Break the spell
Holy hopeless
Tell me twice
Shown me nothing
To entice

You smash my skull in
It's all I want
Broke the borders
And watched the whole world fall
Is that enough?
Is that enough?
