

Leave My Side

The Subways

Climb, into the recess of your heart
And you will find me waiting there
And if you just ask me to go, I won't

Days, so full of laughter and debate
So full of joy, 'cause you were there
And if you just ask me to go, I won't

Tell me, tell me
Are you gonna change your mind
Tell me, tell me
Are you gonna leave my side tonight

Time, I know I wasted all your time
But I would never do you wrong
And if you're asking me to go, I won't

Years, that we could stretch forever more
And I will sing your favorite songs
I know exactly how they go, oh no

Tell me, tell me
Are you gonna change your mind
Tell me, tell me
Are you gonna leave my side

I can't breathe, not if you leave, don't say goodbye
Tell me, tell me, are you gonna leave my side tonight

You don't care for me at all
Cause I'm waiting for your call
I'm not really worth your time
Well, that's what you said

Tell me, tell me
Are you gonna change your mind
Tell me, tell me
Are you gonna leave my side

I can't breathe, not if you leave
Don't say goodbye.

Tell me, tell me
Are you gonna leave my side tonight
