

# Oh Yeah

The Subways

Well, everytime I feel you're coming round, you're going down  
You hit the ground with every force, it makes no sense or sound  
God bless your soul girl  
Now you got the whole world  
I'm on my way now  
I'll get there somehow

Have you ever seen the light?  
Don't you wonder where I hide?  
I will live, then I will die  
I will keep you on my mind

It's your eyes that make me smile, oh yeah oh yeah  
Wasting time, hanging out, oh yeah oh yeah  
These teenage years, no they don't last, oh yeah oh yeah  
These teenage lips, they speak too fast, oh yeah oh yeah

I see the light that's shining from your eyes, blinding me  
It's like I'm walking down your street again at seventeen

God bless your soul girl  
They got the whole world  
I'm on my way now  
I'll get there somehow

Have you ever seen the light?  
Don't you wonder where I hide?  
I will live, then I will die  
I will keep you on my mind

It's your eyes that make me smile, oh yeah oh yeah  
Wasting time, hanging out, oh yeah oh yeah  
These teenage years, no they don't last, oh yeah oh yeah  
These teenage lips, they speak too fast, oh yeah oh yeah
