

Twisted Game

The Subways

We are old, we are new
We would simmer in the sun
We are told we are cute
We were always number one
With some style and some grace
This is who we're gonna be
With some style and some grace
Yeah we're getting it for free

Wake up it's a goddamn beautiful day
(So pretty, so beautiful)
Wake up it's a goddamn twisted game

We got eyes, we got hands
We got shiny shiny lips
On the list in demand
No not taking any shit
With some style and some grace
This is who we're gonna be
With some style and some grace
Yeah we're making enemies

Wake up it's a goddamn beautiful day
(So pretty, so beautiful)
Wake up it's a goddamn twisted game
(So sleazy, I feel wonderful)
Wake up it's a goddamn beautiful day
(So pretty, so beautiful)
Wake up it's a goddamn twisted game

Oh come on

Well we were sold, we were cheap
We were hidden in the dark
You were told you could see
All the sinning in our...
Now we're bold, now we're gods
We're Prometheus's Flame
You will fold like a box it will never be the same

You're the same
You're the same
(Wake up wake up)
So come on...
(So pretty, so beautiful)
Wake up it's a goddamn twisted game
(So sleazy, I feel wonderful)
Wake up it's a goddamn beautiful day
(So pretty, so beautiful)
Wake up it's a goddamn twisted game
