

Cindy

The Sugarcubes

I can't really
Stand anymore of this
All the lifeguards
Keep staring at me
I can't stand any
Oh I really can't
All I can say is
Why don't you

Get me home said to cindy

I hate that
In my little room
All these robots
They really keep
Just squeaking
I really can't
Oh mommy take me home!

Take me home said to cindy
Get me home said to cindy
Get me home said to cindy

Woah!
Where are you mummy?
I'm singing
Why can't you just be it
I'm ??? into you
What she said
She said

She tells me to sit up at home
She tells me to sit up at home
Getting home!
Get me home, said to cindy
She tells me to sit up at home
She tells me to sit up at home
Getting home

Oh I think I am
When I'm going poopoo
Why should i?
Why should I go poopoo?
I really don't know
So why?
I don't know
But she said

Get me home I said to cindy
Get me home I said to cindy
Get me home
