

# Top Of The World

The Sugarcubes

Such a feeling's coming over me,  
There is wonder in most everything I see.  
Not a cloud in the sky,  
Got the sun in my eyes  
And I won't be surprised if it's a dream..

Everything I want the world to be  
Is now coming true especially for me.  
And the reason is clear,  
It's because you are here  
You're the nearest thing to heaven that I've seen..

I'm on the top of the world  
Looking down on creation  
And the only explanation I can find  
Is the love that I've found  
Ever since you've been around  
Your love puts me at the top of the world.

Something in the wind has learned my name  
And it's telling me that things are not the same  
On the leaves on the trees  
And the touch of the breeze  
There's a pleasing sense of happiness for me

There is only one wish on my mind  
When the day is through I hope that I will find  
That tomorrow will be  
Just the same for you and me  
All I need will be mine if you are here..

I'm on the top of the world  
Looking down on creation  
And the only explanation I can find  
Is the love that I've found  
Ever since you've been around  
You'll have put me at the top of the world.

When I was young I listened to the radio  
There be sha-la-la-la every moon still shine  
There'd be singa-linga-ling  
That the stars it would sing so fine

I'm on the top of the world  
Looking down on creation  
And the only explanation I can find  
Is the love that I've found  
Ever since you've been around  
Your love put me at the top of the world.  
Oh, is the love that I've found  
Ever since you've been around  
Your love put me at the top of the world  
Oh, is the love that I've found  
Ever since you've been around  
Your love put me at the top of the world

All my past memories  
Complicated to me,  
Something really make me cry,  
Just like before
