I look at this pain of mine
I don't know what it is
you say I could have it easily
fixed with some vitamins

for the hair
for the skin
you for myself
you're my viamin

if I try some of your pills
won't I have another pain?

you show me off
in all these parties
so very proud of me
telling everybody there that
I am your little vitamin
you exit with me constantly
like I was some thing
I am not your cure

you say I can have it easily fixed
with some vitamins

my pain is my pain
your cure is xitamins
in all these fancy parties
I won't have another pain
as a payment?
you want all of me
'cause I am your final cure
use some - show me off!
