

# The Lover In You

The Sugarhill Gang

I am the king of the rappin thing  
But love, is really my game  
And when it comes, to gettin the finest chicks  
I put all the other rappers to shame  
The ladies scream when I'm on the scene  
They love my 280-Z  
And when the party's over they stand in line  
to go home with the Master G, ha ha hahhh

This is for the lover in you  
The lover in you, I know she's in there somewhere  
This is for the lover in you  
Ah for the lover in you...  
Whoaaaaah honey, can't you see, yeah  
It's the lover, in me  
Who wants to make love...  
... to the lover in you  
The lover in you  
To the lover in you

Don't be misled, by what I said  
There's one thing beyond a doubt  
Inside every rapper there's a lover  
who's tryin, to get out  
So let's make a start, unlock your heart  
This is, the place to be  
And as we're movin, to the music groovin  
You'll bring out, the lover in me... sing it gang

This is for the lover in you, the lover in you  
I know she's in there somewhere  
This is for the lover in you  
Ah for the lover in you...  
Whoaaaaah honey, can't you see, yeahh  
It's the lover, in me  
Who wants to make love...  
... to the lover in you  
The lover in you  
To the lover in you...  
Won't you give her a shout  
Tell her to come on out  
Got a job, for her to do  
You know I'm talkin about...  
... the lover in you  
The lover in you, the lover in you...  
The lover in you, the lover in you

[Wonder Mike] If there's a party in any town  
You know the Sugarhill Gang, will throwdown  
[Master G] With yours truly, the Master G  
[all three] And the brothers who rap so sensuously  
[Master G] It's got to be mellow  
[Wonder Mike] Got ta be right  
[both] We are the original Rapper's Delight  
[Wonder Mike] And love, is what we're talkin about  
[Big Bank Hank] So c'mon gang, ah let's take it on out  
Everybody now

This is for the lover in you (well), the lover in you (mmm)  
I know she's in there somewhere  
This is for the lover in you (well)  
For the lover in you...  
This is for the lover in you, the lover in you  
I know she's in there somewhere  
This is for the lover in you  
For the lover in you...

[Wonder Mike] Ah let me be your L, O, V-E-R  
[Big Bank Hank] Gotta be your L, O, V-E-R...

I know she's in there somewhere
