Honor Among Thieves

The Suicide Machines

Runnin with the thieves yeah - And slumming with the rats Been runnin fifteen years - You can never bring me back We lived our lives hard - And we lived our lives fast - Fightin for the future Still e struggle with our past - And we're still all outcasts Cause this is the - Only life I know When push comes to shove - Will I be left standing alone - Alon e - Standing alone We gave it our all - But was our all ever enough - Was it enoug h Flew Through all th good times - And dragged through all the ba d These are the best friends - That I ever had Living like paupers - We were runnin with the kings - Fighting like brothers I wouldn't change a thing - No I wouldn't change a thing Cause this is the - Only life I know When push comes to shove - Will I be left standing alone - Alon e - Standing alone We gave it our all - But was our all ever enough - Was it enoug h I got your back - And you've got mine We can make a difference - It just takes some time I got your back - And you've got mine We can make a difference - It just takes some time Cause this is the - Only life I know When push comes to shove - Will I be left standing alone - Alon е Standing alone- We gave it our all - But was our all ever enoug h Cause this is the - Only life I know When push comes to shove - Will I be left standing alone - Alon е Standing alone- We gave it our all - But was our all ever enoug h - Was it enough
