

# Hope

## The Suicide Machines

i'm trying to find my way home to you  
i'm gonna wipe all your tears away  
ignorance and hate are killing this world  
so where's the change?  
it'll happen someday

oh- i try not to give up hope  
that one day things will get better  
we're all gonna be together -  
may not be sunny weather

don't give up hope

its never been a question of "this is alright"  
'cause we're not gonna have it  
all that i cna do is hope against hope  
we'll set it right  
'cause we're killing each other

oh- i try not to give up hope  
that one day things will get better.  
we're all gonna be together -  
may not be sunny weather

don't give up hope

well i don't know what to say,  
but you've turned  
me inside and out  
and i don't know what to do  
but i'm young and so are you so,

oh- i try ;not to give up hope  
that one day things wil get better  
we're all gonna be together-  
may not be sunny weather

don't give up hope
