

# I Never Promised You A Rose Garden

The Suicide Machines

I beg your pardon I never promised you a rose garden  
ran along with the sunshine there's gotta be a little rain some  
time.

When you take you gotta give so live and let live and let go oh  
oh oh oh

I beg your pardon I never promised you a rose garden

I could promise you things like big diamond rings  
but I don't find roses growin' on stalks of clover  
so you better think it over.

When it's sweet talking you could make it come true  
I would give you the world right now on a silver platter  
but what would it matter.

So smile for a while and let's be jolly love shouldn't be so me  
lancholy

Come along and share the good times while we can.

I could sing you a tune and promise you the moon  
but if that's what it takes to hold you I'd just as soon let yo  
u go

but there's one thing I want you to know.

So look before you leap still waters run deep  
and there won't always be someone to pull you out.

And you know what I'm talking about.

So smile for a while and let's be jolly love shouldn't be so me  
lancholy

Come along and share the good times while we can.
