

Chelsea

The Summer Set

Let's take this back two thousand five
Drinks are pouring, girls so fine
So many dimes, got dollars signs
And there she goes right on the spot
Got a taste so sweet I swear this beat
Will make you wanna drop

She wears a new dress everyday
No, she won't stop making the crowd scream
I can't hear anything, but hey, hey
It's Miss L.A. again, again

Chelsea, Chelsea, tell me you love me
Chelsea, Chelsea, are you feeling me now?
Chelsea, Chelsea, I think it's 'bout time
We get down, get down, I want more

I wrote her a song
Not Delilah, not Kelsey
Had 'em both in my palm
But I dropped them for Chelsea

Hey, hey, what'd you say
You've been looking good today
Let's go around town
I'll tell the girls that I'm taken

Chelsea, Chelsea, tell me you love me
Chelsea, Chelsea, are you feeling me now?
Chelsea, Chelsea, I think it's 'bout time
We get down, get down
There ain't no stopping us now
Get down, get down, I want more

And if it's worth your time, I've got ten digits
I'd like you to find
But no, I won't get that call
You've got so much to give
I've got nothing at all

Chelsea, Chelsea, tell me you love me
Chelsea, Chelsea, are you feeling me now?
Chelsea, Chelsea, I think it's 'bout time
We get down, get down
There ain't no stopping us now
Get down, get down, I want more

Chelsea, Chelsea, tell me you love me
Chelsea, Chelsea, are you feeling me now?
Chelsea, Chelsea, I think it's 'bout time
We get down, get down
There ain't no stopping us now

Chelsea, Chelsea, tell me you love me
Chelsea, Chelsea, are you feeling me now?
Chelsea, Chelsea, I think it's 'bout time
We get down, get down

There ain't no stopping us now
Get down, get down, I want more
