Chelsea

The Summer Set

Let's take this back two thousand five Drinks are pouring, girls so fine So many dimes, got dollars signs And there she goes right on the spot Got a taste so sweet I swear this beat Will make you wanna drop

She wears a new dress everyday No, she won't stop making the crowd scream I can't hear anything, but hey, hey It's Miss L.A. again, again

Chelsea, Chelsea, tell me you love me Chelsea, Chelsea, are you feeling me now? Chelsea, Chelsea, I think it's 'bout time We get down, get down, I want more

I wrote her a song Not Delilah, not Kelsey Had 'em both in my palm But I dropped them for Chelsea

Hey, hey, what'd you say You've been looking good today Let's go around town I'll tell the girls that I'm taken

Chelsea, Chelsea, tell me you love me Chelsea, Chelsea, are you feeling me now? Chelsea, Chelsea, I think it's 'bout time We get down, get down There ain't no stopping us now Get down, get down, I want more

And if it's worth your time, I've got ten digits I'd like you to find But no, I won't get that call You've got so much to give I've got nothing at all

Chelsea, Chelsea, tell me you love me Chelsea, Chelsea, are you feeling me now? Chelsea, Chelsea, I think it's 'bout time We get down, get down There ain't no stopping us now Get down, get down, I want more

Chelsea, Chelsea, tell me you love me Chelsea, Chelsea, are you feeling me now? Chelsea, Chelsea, I think it's 'bout time We get down, get down There ain't no stopping us now

Chelsea, Chelsea, tell me you love me Chelsea, Chelsea, are you feeling me now? Chelsea, Chelsea, I think it's 'bout time We get down, get down There ain't no stopping us now Get down, get down, I want more
