

Mona Lisa

The Summer Set

Girl I'd steal the Mona Lisa
But I know I wouldn't keep her
Cause I wake up next to you everyday
I'd buy the Taj Mahal,
Never visit it at all,
If that's the only price I gotta pay.
Cause I've never loved anything like I love you.

I'd go and catch the moon
And I'd drag it down to you
But I know you'd be brighter anyway
I'd walk the whole Great Wall
And every brick I'd count 'em all
Then I'd start over the next day
Cause I've never loved anything like I love you.
Like I love you.

(Like I love you)

Turn on every light in New York City,
I'd still be blind if you weren't with me.
You're the only one who opens up my eyes.
Cause I've never loved anything like I love you.
Like I love you
Like I love you

I'd steal the Mona Lisa
But I know I wouldn't keep her
Cause I wake up next to you everyday.
