

## Mona Lisa

The Summer Set

Girl I'd steal the Mona Lisa  
But I know I wouldn't keep her  
Cause I wake up next to you everyday  
I'd buy the Taj Mahal,  
Never visit it at all,  
If that's the only price I gotta pay.  
Cause I've never loved anything like I love you.

I'd go and catch the moon  
And I'd drag it down to you  
But I know you'd be brighter anyway  
I'd walk the whole Great Wall  
And every brick I'd count 'em all  
Then I'd start over the next day  
Cause I've never loved anything like I love you.  
Like I love you.

(Like I love you)

Turn on every light in New York City,  
I'd still be blind if you weren't with me.  
You're the only one who opens up my eyes.  
Cause I've never loved anything like I love you.  
Like I love you  
Like I love you

I'd steal the Mona Lisa  
But I know I wouldn't keep her  
Cause I wake up next to you everyday.
