Mona Lisa

The Summer Set

Girl I'd steal the Mona Lisa But I know I wouldn't keep her Cause I wake up next to you everyday I'd buy the Taj Mahal, Never visit it at all, If that's the only price I gotta pay. Cause I've never loved anything like I love you.

I'd go and catch the moon And I'd drag it down to you But I know you'd be brighter anyway I'd walk the whole Great Wall And every brick I'd count 'em all Then I'd start over the next day Cause I've never loved anything like I love you. Like I love you.

(Like I love you)

Turn on every light in New York City, I'd still be blind if you weren't with me. You're the only one who opens up my eyes. Cause I've never loved anything like I love you. Like I love you Like I love you

I'd steal the Mona Lisa But I know I wouldn't keep her Cause I wake up next to you everyday.
