

She's Got the Rhythm

The Summer Set

She's got the rhythm and I can't forget
She's gonna give in,
Were gonna give it two more years
And oh my god
She's got the rhythm and she's got me wakin' up

C'mon, C'mon!
Show me what you got
I swear, we're gonna tear it up
Oh yeah!
We can leave it all behind, cause

You've got it going on
And I've gotta say

She's got the rhythm and I can't forget
She's gonna give in,
Were gonna give it two more years
And oh my god
She's got the rhythm and she's got me wakin' up

I keep your picture by my bedside.
I'm sleeping all the time
Just to wake up to you
Just to wake up to you

And I'm in love
With everything you do
You can have the best of me
Forget what I want, you're all that I need

You've got it going on
And I've gotta say

She's got the rhythm and I can't forget
She's gonna give in,
Were gonna give it two more years
And oh my god
She's got the rhythm
She's got me wakin' up

She's got the rhythm and I can't forget
She's gonna give in,
Were gonna give it two more years
And oh my god
She's got the rhythm
She's got me wakin' up

She's got the rhythm and I can't forget
She's gonna give in,
Were gonna give it two more years
And oh my god
She's got the rhythm
She's got me wakin' up
