

# She's Got the Rhythm

The Summer Set

She's got the rhythm and I can't forget  
She's gonna give in,  
Were gonna give it two more years  
And oh my god  
She's got the rhythm and she's got me wakin' up

C'mon, C'mon!  
Show me what you got  
I swear, we're gonna tear it up  
Oh yeah!  
We can leave it all behind, cause

You've got it going on  
And I've gotta say

She's got the rhythm and I can't forget  
She's gonna give in,  
Were gonna give it two more years  
And oh my god  
She's got the rhythm and she's got me wakin' up

I keep your picture by my bedside.  
I'm sleeping all the time  
Just to wake up to you  
Just to wake up to you

And I'm in love  
With everything you do  
You can have the best of me  
Forget what I want, you're all that I need

You've got it going on  
And I've gotta say

She's got the rhythm and I can't forget  
She's gonna give in,  
Were gonna give it two more years  
And oh my god  
She's got the rhythm  
She's got me wakin' up

She's got the rhythm and I can't forget  
She's gonna give in,  
Were gonna give it two more years  
And oh my god  
She's got the rhythm  
She's got me wakin' up

She's got the rhythm and I can't forget  
She's gonna give in,  
Were gonna give it two more years  
And oh my god  
She's got the rhythm  
She's got me wakin' up
