She's Got the Rhythm

The Summer Set

She's got the rhythm and I can't forget She's gonna give in, Were gonna give it two more years And oh my god She's got the rhythm and she's got me wakin' up

C'mon, C'mon! Show me what you got I swear, we're gonna tear it up Oh yeah! We can leave it all behind, cause

You've got it going on And I've gotta say

She's got the rhythm and I can't forget She's gonna give in, Were gonna give it two more years And oh my god She's got the rhythm and she's got me wakin' up

I keep your picture by my bedside. I'm sleeping all the time Just to wake up to you Just to wake up to you

And I'm in love With everything you do You can have the best of me Forget what I want, you're all that I need

You've got it going on And I've gotta say

She's got the rhythm and I can't forget She's gonna give in, Were gonna give it two more years And oh my god She's got the rhythm She's got me wakin' up

She's got the rhythm and I can't forget She's gonna give in, Were gonna give it two more years And oh my god She's got the rhythm She's got me wakin' up

She's got the rhythm and I can't forget She's gonna give in, Were gonna give it two more years And oh my god She's got the rhythm She's got me wakin' up Tištěnoz www.txp.cz
