

# Thick As Thieves

## The Summer Set

We can live like highway robbers, thick as thieves  
Let the law man throw us in the jail cell for weeks  
But the boys in blue couldn't break up me and you

Your daddy used to work for the FBI  
Put my face on a wanted poster, dead or alive  
So we ditched our cars and put on our running shoes

No they don't, no they don't  
Want us to be together  
No they don't, no they don't, not at all  
We could live, we could live  
We could live like this forever  
You and I, you and I, on and on

Always and forever, forever, forever  
Always and forever, forever, forever

Jumped on a train, destination: anywhere  
As long as I'm with you, I don't care  
I'll grow a mustache, you'll cut off your hair

No they don't, no they don't  
Want us to be together  
No they don't, no they don't, not at all  
We could live, we could live  
We could live like this forever  
You and I, you and I, on and on

Always and forever, forever, forever  
Always and forever, forever, forever

Because I hear the sirens of cars  
Pistols drawn, get on the ground  
There may be a mountain in between us  
There ain't nobody gonna take us down

No they don't, no they don't  
Want us to be together  
No they don't, no they don't, not at all  
We could live, we could live  
We could live like this forever  
You and I, you and I, on and on

No they don't, no they don't  
Want us to be together  
No they don't, no they don't, not at all  
We could live, we could live  
We could live like this forever  
You and I, you and I, on and on

Always and forever, forever, forever  
Always and forever, forever, forever  
You and I together, together, together  
Always and forever, forever, forever  
Always and forever
