

All Is Good Around Me

The Sunday Drivers

I've been in trouble inside a bubble
You never put yourself out on me
I know you fool me but you don't know me
I cannot stand up for myself but

You can do what you want to do
All is good around me

I don't belong here you're not like me and
You've got a silly smile tonight
And I'm afraid that I didn't know that
You've got a high opinion of you

I've been loving you for many reasons more
Than being a sheep in a flock
Maybe I am wrong or maybe I am not
Help me to find what you feel inside

I was afraid that you didn't like me
Now I'm afraid that I don't like you
I think it's better you take your mask off
I have a high opinion of me too
