

# I Ain't Down

The Sunday Drivers

You're going  
To say you're not blame  
You just care about yourself  
You just  
Just always got away.  
I ain't down  
I ain't down

Bet on  
Another don't be wrong  
Or you'll be lost, yeah, you'll be lost.  
No, I  
Don't want to be a load.  
I ain't down  
I ain't down

This creak's  
The creaking of my teeth  
There's nothing clean inside of me  
Crawl, crawl  
And don't know where to fall  
But I ain't down  
I ain't down  
I'm in a hurry to be fortunate and it seems it's late  
Take no notice of a word I say and will get succes
