

A Heart Like Mine

The Supremes

A heart like mine
Shouldn't have to be so low
Shouldn't have to leave you so
A heart that's true for you like mine is

Ooh... ooh...
Ooh...

A heart like mine
Shouldn't have to hurt all alone
Crying because you are gone
A heart that's true for you like mine is
(Like mine is, like mine is)

(Oo-ooh) A heart that's true
(Never) Never, never ever wins
It seems
(Ooh) It's always so blue
From the time that love begins
It seems...

Ooh... ooh...
Ooh... ooh...

A heart like mine
Shouldn't have to be in pain (pain)
Shouldn't have to, shouldn't have to cry in vain (vain)
Oh, a heart that's true for you
Like mine is, like mine is

Oo-ooh, shouldn't have to cry in vain
A heart like mine
Mm, like mine is
A heart like mine
