A Lover's Concerto

The Supremes

How gentle is the rain That falls softly on the meadow Birds high up on the trees Serenade the clouds with their melodies

How gentle is the rain That falls softly on the meadow Birds high up on the trees Serenade the clouds with their melodies

Oh, see there beyond the hill The bright colours of the rainbow Some magic from above Made this day for us just to fall in love

You'll hold me in your arms And say once again you love me And if your love is true Everything will be just as wonderful

Now I belong to you From this day until forever Just love me tenderly And I'll give to you every part of me

Oh, don't ever make me cry Through long lonely nights without love Be always true to me Keep this day in your heart eternally

Someday we shall return To this place upon the meadow We'll walk out in the rain Hear the birds above singing once again

You'll hold me in your arms And say once again you love me And if your love is true Everything will be just as wonderful

You'll hold me in your arms And say once again you love me And if your love is true Everything will be just as wonderful

Just hold me in your arms And say once again you love me And if your love is true Everything will be just as wonderful

You'll hold me in your arms And say once again you love me And if your love is true Everything will be just as wonderful
