

So come on, take my hand  
Ain't love good? Ain't love grand?

Come take this magic ride with me  
Off to lands of mystery  
So come on, take my hand  
Ain't love good? Ain't love grand?  
Come on

Come on, come on, baby  
Come on

Come on, come on, baby  
Come on  
Come on, come on, baby  
Come on

Come on, come on, baby  
Come on  
Come on, come on, baby  
Come on

Come on, come on, baby  
Come on  
Come on, come on, baby  
Come on

Come on, come on, baby  
Come on  
Come on, come on, baby  
Come on

Come on, come on, baby  
Come on  
Come on, come on, baby
