

# Good Lovin' Ain't Easy To Come By

The Supremes

Good lovin' ain't easy  
Good lovin' ain't easy  
Good lovin' ain't easy to come by  
Oh, darlin', that's the kind you offer me  
It's just the love to be found  
'Cause we're workin' on a buildin' nobody can tear down  
Look what we've got, ho-ho-ho-honey

Good lovin' ain't easy  
Good lovin' ain't easy, darlin'  
Good lovin' ain't easy to come by, oh no no  
I've tried the good life and I know  
It's a playground where no one cares  
But at last you'll find out that don't compare  
To what we've got, ho-ho-ho-honey

It takes more than just a song and dance  
You've got to work and fight to give it a chance  
If the rain comes down on us  
And there ain't no place to run  
We'll just cover ourselves with a blanket of love  
And wait till the mornin' comes  
Oh baby, let's do it today  
Inflection  
Give us protection

Good lovin' ain't easy to come by  
Some think it's a plaything  
You can toss away when it's old  
But when love's valued in pieces  
It's worth more than gold  
That's what we've got

Good lovin' ain't easy to come by  
Oh, oh, it ain't easy
