

He's My Man

The Supremes

Hey!
Yeah--
Oo-oo-oo-oo-oo-oo!

He's my man
He's my man
He's my man

He's my man

He's my man

As I go through the week
Counting all the days
Seeing the same old faces
Seeing the same old way-ay-ays
Now other men mean well
But always bring me down
They have nothing new to say
They're still hangin' 'round

And when I need cheering up
When I'm feeling kinda low
He calls says get dressed
And I put on my best
Being in his arms brings out all my charms
And you can see us glow wherever we may go
He's my man!

All I need is that he shine his smile on me
When I'm all alone needing company
And he's the only man who can make me feel
That his love is honest
That his love is real

And when my spirit's sinking down
Need a lift off the ground
He calls says get dressed
And I put on my best
Being in his arms brings out all my charms
And you can see us glow wherever we may go
He's my man!

He and I belong together
He and I will be forever
My friends all say he's no good
But they'd have him if they could

But he's my man! Oo-oo-oo-oo!

He's my man

Ah-ahhhhhhhhhhhhhhhhh!

He's my man
He's my man
He's my man

He's my man

He is my man

He's my man

Yes he is now

He calls says get dressed
And I put on my best
Being in his arms brings out all my charms

Can't you see it?

And you can see us glow wherever we may go

He's my man-an-an-an-an-an! Yeah!

He's my man

Ah-ahhhhhhhhhhhhhhhhh!

He's my man

He's my man

He's my man

He's my man

He is my man

He's my man

He's my man

He calls says get dressed and I put on my best, whoo!

He's my man

Being in his arms brings out all my charms!

He's my man
