

## He's My Sunny Boy

The Supremes

Oooh...Sunny boy  
Now let me tell you how much good  
You've done me boy  
'Cause when I'm feeling alone  
You give me plenty joy  
Into each lives some rain must fall  
But with you here  
There's no rain at all

Sunny boy  
Looks good in everything  
From silk to corduroy  
To see him I'd walk from Idaho to Illinois  
(Or anywhere)  
Do anything to be with him  
My sunshine when the world is dim  
I'ts sunny boy, sunny boy  
My pride and joy  
Sunny boy

Sunny boy  
You made my life so sweet  
It's just like honey, boy  
And I love you so much till it ain't funny boy  
My cloudy days have been declouded  
Since you're here so keep on shining

Sunny boy, sunny boy  
My pride and joy  
Hey, sunny boy  
My honey boy  
Now only your sweet lovin' can give me joy  
I'm trying to tell the world  
That you're my sunny boy
