Heaven Must Have Sent You

The Supremes

Heaven in your arms Boy, it's the sweetness of your charms Makes me love you more each day In your arms I wanna stay

I've cried through many endless nights While holding my pillow tight Then you came into my lonely days With your tender lovin' sweet ways Now I don't know where you come from, baby Don't know where you've been, my baby Heaven must have sent you, honey Into my arms Now in the mornin' when I awake There's a smile on my face You've touched my heart with gladness Wiped away all of my sadness For so long I've needed love right near me A soft voice to cheer me Heaven must have sent you, baby Into my life

Heaven in your arms Boy, it's the sweetness of your charms Makes me love you more each day In your arms I wanna stay

Wanna thank you for the joy you brought me Thank you for the things you taught me Thank you for holding me close when I needed you the most

Now I don't know much about you, baby But I know I can't live without you Heaven must have sent you, honey To love only me

It's heaven in your arms Boy, it's the sweetness of your charms Makes me love you more each day In your arms I wanna stay

Wanna thank you for the joy you brought me Thank you for the things you taught me Thank you for holding me close when I needed you the most

It's heaven in your arms Boy, it's the sweetness of your charms Makes me love you more each day In your arms I wanna stay
