

Hey Jude

The Supremes

Hey Jude
Don't make it bad
Take a sad song and make it better
Remember to let him into your heart
And you can start to make it better

Hey Jude
Don't be afraid
You were made to go out and get her
The minute you let her under your skin
Then you begin to make it better

Anytime you feel the pain
Hey Jude, refrain
Don't carry the world on your shoulder
Well, you know that it's a fool
Who plays it cool
By making his world a little colder

Hey Jude
Don't let me down
You have found her
Now go out and get her
Remember to let her in to your heart
Then you can start to make it better

Let her out
Let her in
Hey Jude, begin
You're waiting for someone to perform
Don't you know it's just you
Hey Jude, you too
The movement you need is on your shoulder

Hey Jude
Don't let me down
Take a sad, sad song and make it better
Remember, let her under your skin
Then you begin to make it better
