How Long Has That Evening Train Been Gone

The Supremes

How long has that evening train been gone I wanna know How long has that evening train been gone

I have a babe that was standing at the station Waiting for a train
I ran to the door with my heart in my hand
(Heart in my hand)
And all my future plans
I've gotta catch him if I can
Is that express Mr. Station man
I woke up this mornin'
With a smile on my face
Feelin' that the world
The world was a beautiful place

How long has that evening train been gone I want to know
How long has that evening train been gone

On a scrap of paper was the Train arriving information His room was empty and his closet's bare And not a single shirt was hangin' there

How could the guy just up and leave me What did I do that was so displeasing Only yesterday he helped me type He told me everything Everything's gonna be alright

Oh, he said he loved me and he cried Oh yeah, he said he loved me and he cried Oh, yes he did now

There must be an explanation Come on and move out the station Can't you see that he's taking my world And making me a sad sad girl That's why I can't let go That's why I gotta know

How long has that evening train been gone I wanna know how long
Has the train been gone
Oh yeah, has that evening train been gone
Right now
Can't wait a minute longer
How long has that evening train been gone
Right now
