

# I Ain't That Easy to Lose

The Supremes

You can't let me go  
Like a string  
Attached to a balloon  
You say you're tired of me  
Wanna say goodbye to me  
I won't accept the fact we're through

(No, no, no, no)  
I ain't that easy  
(No, no, no, no)  
Oh, I ain't that easy to lose

You say to me  
You're sure that she's  
Oh, a much better choice  
But you're not free  
'cause I'll ever be  
Rather than the sound of your voice

(No, no, no, no)  
I ain't that easy  
(No, no, no, no)  
Oh, I ain't that easy to lose

You can abuse me (you can abuse me)  
Go on and misuse me  
But you'll never gonna lose me  
You can drop me now (you can drop me now)  
But boy, you still got me  
You can say you need her  
(But I still gonna need you)

I'll be your shadow  
Wherever you go  
I can't help it, I love you so  
And my love for you  
Is tied up in blue  
That's why I can't give up on you

(No, no, no, no)  
I ain't that easy  
(No, no, no, no)  
Oh, I ain't that easy to lose  
Oh baby, yeah  
Ooh, ooh ooh

(I ain't that easy) no  
I ain't that easy  
I ain't that easy to lose  
I refuse to lose you  
I refuse to lose you  
I ain't that easy to lose, yeah, yeah, yeah

I ain't that easy  
No, I ain't that easy  
I ain't that easy to (lose)  
To lose, to lose, oh baby

I refuse to lose you, no  
I refuse to lose you  
I ain't that easy to lose
