

# I Can't Believe You Love Me

The Supremes

Oh, I can't believe you love me  
No, I can't believe you love me  
Oh no, no, no I can't believe that you love me  
I can't believe that you love me anymore (anymore)  
Not like before (not like before)

You don't kiss me like you used to  
You don't say those pretty, pretty words  
There's no thrill in your kiss  
There's no sincerity  
Oh, I do believe you've gotten over me

I can't believe you love me  
I can't believe you love me  
I can't believe that you love me  
I can't believe that you love me anymore (anymore)  
Not like before (not like before)

Girl, whenever we're together  
Not one word, honey, did you say  
Oh, when I speak your name  
In the sweetest, sweetest tone, hey, hey, hey  
It makes me feel like I'm standing all alone

I can't believe you love me  
I can't believe you love me  
I can't believe that you love me  
I can't believe that you love me anymore (anymore)  
Not like before (not like before)

I can't believe that you love me  
I can't believe that you love me  
I can't believe that you love me  
I can't believe that you love me anymore (anymore)  
Not like before (not like before)

You better change your ways of loving  
If ought to know if you really, really care  
You better show or concern  
Pay more attention to me, girl (say it again, yeah)  
Or otherwise I'm gonna be forced to leave you

I can't believe you love me  
I can't believe you love me  
I can't believe that you love me  
I can't believe that you love me anymore (anymore)  
Not like before (not like before)
