

# I'll Set You Free

The Supremes

Oh, baby life could be something wonderful  
Wonderful

You keep me satisfied  
I need you by my side  
But you want to leave today  
Don't throw it all away

The tender love we knew  
The tender love so true  
The happiness we shared  
Just knowin' someone cared

You're gonna need me  
Like you needed me before  
Need me, baby  
Come back and close the door  
Can't cool all my emotion  
Can't cool all my devotion  
Life could be something wonderful

I'll set you free  
Something wonderful  
I'll set you free  
In your sweet caress  
It's better than livin' a life of loneliness

Ooh I'm givin' you all I had to give  
Each day made me proud to live  
You took the best of me  
If you don't want the rest of me

I'll set you free  
Fine fine  
I'll set you free  
Fine fine  
I don't want nobody who don't want me, ooh

You're gonna miss the love I've been givin'  
You're gonna miss the life you've been livin'  
You're gonna need me I know it  
You're gonna want me

But I'll set you free, I'll set you free  
Ooh, I'll set you free, I'll set you free  
You don't care about me  
Ooh, life could be something wonderful

Something wonderful  
Here's a sweet caress  
It's better than livin' a life of loneliness  
You're gonna be lonely boy

Ooh I'm givin' you all I had to give  
Each day made me proud to live  
You took the best of me  
If you don't want the rest of me

I'll set you free  
I'll set you free  
I'll set you free  
Don't want nobody who don't want me  
Yeah, you're gonna be lonely

You're gonna miss the love I've been givin'  
You're gonna miss the life you've been livin'  
You're gonna want me, baby I know it  
You're gonna want me, but I'll set you free

I could be, oh baby, I could be  
Oh baby, I could be  
Anything I want to be  
As long as I know you're here with me
