I'll Set You Free

The Supremes

Oh, baby life could be something wonderful Wonderful

You keep me satisfied I need you by my side But you want to leave today Don't throw it all away

The tender love we knew The tender love so true The happiness we shared Just knowin' someone cared

You're gonna need me Like you needed me before Need me, baby Come back and close the door Can't cool all my emotion Can't cool all my devotion Life could be something wonderful

I'll set you free Something wonderful I'll set you free In your sweet caress It's better than livin' a life of loneliness

Ooh I'm givin' you all I had to give Each day made me proud to live You took the best of me If you don't want the rest of me

I'll set you free
Fine fine
I'll set you free
Fine fine
I don't want nobody who don't want me, ooh

You're gonna miss the love I've been givin' You're gonna miss the life you've been livin' You're gonna need me I know it You're gonna want me

But I'll set you free, I'll set you free Ooh, I'll set you free, I'll set you free You don't care about me Ooh, life could be something wonderful

Something wonderful Here's a sweet caress It's better than livin' a life of loneliness You're gonna be lonely boy

Ooh I'm givin' you all I had to give Each day made me proud to live You took the best of me If you don't want the rest of me I'll set you free I'll set you free I'll set you free Don't want nobody who don't want me Yeah, you're gonna be lonely

You're gonna miss the love I've been givin' You're gonna miss the life you've been livin' You're gonna want me, baby I know it You're gonna want me, but I'll set you free

I could be, oh baby, I could be Oh baby, I could be Anything I want to be As long as I know you're here with me
