

## It Makes No Difference Now

The Supremes

It makes no difference now  
What kind of life fate hands me  
I'll get along without you  
Now that's plain to see

I don't care what happens next  
But I'll get by somehow  
And I don't worry 'cause  
It makes no difference now

Now that we have really parted  
I can't believe we're through  
And I don't blame myself  
And I'm sure I can't blame you

I know something had to happen  
And it happened somehow  
And I don't worry 'cause  
It makes no difference now

After all is said and done  
I'll soon forget you  
Although I know it will be so hard to do  
Let things happen as they will  
I'll get by somehow

I don't worry 'cause  
It makes no difference now  
Not now

Let things happen as they will  
I'll get by somehow  
I don't worry 'cause  
It makes no difference now
