## It Makes No Difference Now

## **The Supremes**

It makes no difference now What kind of life fate hands me I'll get along without you Now that's plain to see

I don't care what happens next But I'll get by somehow And I don't worry 'cause It makes no difference now

Now that we have really parted I can't believe we're through And I don't blame myself And I'm sure I can't blame you

I know something had to happen And it happened somehow And I don't worry 'cause It makes no difference now

After all is said and done I'll soon forget you Although I know it will be so hard to do Let things happen as they will I'll get by somehow

I don't worry 'cause It makes no difference now Not now

Let things happen as they will I'll get by somehow I don't worry 'cause It makes no difference now
