

# It's Time To Break Down

The Supremes

For your lovin', oh, oh, yeah  
Oh, oh, yeah, when you touch me

I'm at the crossroads of life  
And I don't know if I should go left or right  
My mind is confused, my heart is, too  
Why your voice is ringin', ringin' in my ear  
It's time to break down, time to say yeah  
Time to take time (time to take time)  
Give my heart a chance to breathe  
Feel this fire inside of me

I'll never be free (from wanting you)  
My heart is your prisoner, yeah  
You're like a light in my pathway  
You're like a fire that gets higher day after day  
I pretend I don't see this spell you cast over me  
But the thruth is you see all upon my face  
It's time to break down, time to say yeah  
Oh baby, time to take time (time to take time)

Ooo, I'll never be free from wanting you  
My heart is your prisoner, ooo-ooo

It's time to break down  
Say yeah when you touch me, baby  
Break down for your lovin'  
Mmm, say yeah, oh yeah  
Oh yeah, ooo, yeah, yeah  
Break down for your lovin'  
Say yeah, ooo, baby  
Break down for your lovin'  
Say yeah when you touch me  
Break down, break down  
Say yeah when you touch me

Oh yeah, say yeah when you touch me  
Break down for your lovin'  
Say yeah when you touch me, baby  
Break down for your lovin'  
Say yeah when you touch me  
Break down for your lovin'  
Say yeah!

Mmm, your touch is inspirational  
Ooo, for your lovin'  
Break down for your lovin'  
Say yeah  
Break down for your lovin'  
Say yeah when you touch me, baby  
Oh, yeah, ooo, say yeah when you touch me  
Your touch inspirational  
Oh, break down for your lovin'...
